Welcome to the Re-envisioning Permanent Collections proposal form. Text and all attachments should be written in English. All proposals must be submitted electronically and received by the Terra Foundation's deadline. If the proposal does not include all of the following components, it will be considered incomplete.

Proposals will be reviewed by scholars, curators, and/or educators of American art. Please prepare your materials with that audience in mind.

Please refer to the FAQ document found here. Direct questions about proposal components to grants@terraamericanart.org.

You can scroll through the form before filling out the data fields. You can also print out a blank form for your reference.

You may copy and paste from other documents into the fields below.

Please note that proposal fields are plain text and that formatting options are limited. Please use numbers rather than bullet points if submitting a list.
