Required before final submission

Welcome to the Convening Grants Letter of Inquiry (LOI) form. An LOI is a brief description of the project for which you seek a grant that is used by the Terra Foundation to determine whether to invite a full proposal.

Text should be written in English. All LOIs must be received electronically by the foundation's deadline. Please visit the web page for the program you're interested in for more details outlining proposal procedures. The timeline for all programs vary. It is a requirement that funding from the Terra Foundation must be acknowledged in all communication materials related to funded programs. Applicants should time their requests such that grant notification will come before any of these materials are produced or distributed.

Please refer to the FAQ document found here for detailed information about the online application process. Any questions about **proposal components** should be referred to the Terra Foundation's Grants Manager: Phone: 312.654.2275 or E-mail: grants@terraamericanart.org.

You can scroll through the LOI prior to filling out the data fields. You can also print out a blank LOI form for your reference.

You may copy and paste from other documents into the fields below.

Please note that LOI fields are plain text and that formatting options are limited. Please use numbers rather than bullet points if submitting a list.
